

RVA SPRINT

ATHLETE GUIDE

WELCOME

Dear Athlete,

I am very excited for you to experience the RVA Sprint Tri. As Richmond's only pool sprint triathlon, the RVA Sprint has been one of our participants' and staff's favorite races every year since the first race in 2023. Our team has worked hard to make this year even better!! We are bringing back the seeded starts for the fastest athletes, the beginner-only race, kid's splash & dash, duathlon and aquabike options, and the super welcoming feel of this Richmond classic! We are thrilled to welcome so many new triathletes across the finish line!

This event is produced by the Live Red Foundation. The Live Red Foundation provides free fitness programs that teach life skills to thousands of children annually in Richmond's lowest-opportunity neighborhoods. We raise the funds for this through our events including the RVA Sprint Triathlon. By participating, you are making these programs possible!

Please read over this packet closely to prepare for the event. It details everything you need to know to have a successful race.

Thank you for participating and all of us at the Live Red Foundation look forward to making your day amazing on race day!

For an explanation of these, see [this guide](#). You must bring your timing chip to the race to be able to race, and there is a \$75 fee for lost chips (they are expensive) so don't lose them!! WARM UP DETAILS

You are welcome to do a swim warm up from 6:45-7:15am at the swim start. Bike and run warm ups can also be completed on the course before 7:15am. There will be a short swim warm up for the Kid's Splash & Dash before their race, and we ask that kids please stay off the Sprint course though there are plenty of places to run.

Enter transition on the right side and leave for the run on that same side. SWIM COURSE DETAILS

The pool is a 25 yd 6 lane pool. The first 2 “seeded” waves and the Splash & Dash waves will start up to 12 athletes (2/lane) from a push (no diving) all at once. You will be splitting a lane with another athlete so please stay on your side (no circle swimming).

The rest of the Sprint & Beginner Tri athletes will do a time trial start with the next athlete sent when the athlete in front of them gets half way down the pool. You will line up on the pool deck based on estimated swim 100yd swim pace (refer to signage to help organize). When you are released to start, you will cross the timing mat (starts your race) and jump into the water (no dives!!). You will then swim down on the right side of the lane, back on the left side of the lane, go under the lane line, and repeat.

Sprint Tri athletes will go down and back in all 6 lanes. Beginner Tri athletes will go down and back in 3 lanes. To see an example of this, [watch this video](#) and refer to the diagram below (sprint tri length):

BIKE COURSE DETAILS

Starting at the Rockville Center, the course will begin by going west on Pouncey Tract Road. Athletes will then make a right on Dunn's Chapel Road which eventually becomes St. Peter's Church Road. Next, you will make a right on Howard's Mill Road and then a right on Pouncey Tract Road to return to the Rockville Center. We have marked the location of police officers on the course with a "P" below. The yellow arrow is showing a shorter "beginner-only" cut-through that will only be used for the beginner race. The course is open to vehicular traffic but will have plenty of police on the course to maximize safety. All turns will be marked with arrows AND a volunteer present as well.

This is a non-draft triathlon which means you must keep 5 bike lengths (10 meters) between you and the rider in front of you and stay to the right side of the road at all times unless passing. USA Triathlon officials will be on the course monitoring. Refer to the rules page of this packet for more details on this.

For a detailed overview of the course including how to best approach the hills on the course, check out the course strategy written by our coaching partner Endorphin Fitness at the link below:

RUN COURSE DETAILS

The run will start along a well-maintained path along the edge of a field before turning onto a private road (Brisbane Hill Rd) which will take runners out to Pouncey Tract Rd where they will make a left. Pouncey Tract will climb slightly before flattening out before the turnaround at the Far West End Seventh Day Adventist Church.

Those doing the Beginner Tri will turn around at .75 miles as designated on the map. The return route gives athletes a fast downhill before turning back onto the private road and again onto the path to the finish line.

PENALTY BOX & RULES

Per new USAT rules (see rules section), penalties earned on the course will be served in the penalty box on the run. The penalty box will be located in the field so you can serve penalties on the way out or back. If you receive a blue card on the course, you must serve a 1 minute penalty in the penalty tent on the run. Please announce your number to the volunteer at this tent.

No music devices of any kind can be used while on the course.

SPLASH & DASH RUN

The Kid's Splash & Dash run is a simple 1 mile out-and-back course on grass and a lightly traveled neighborhood road with the kids separated from vehicles. This course is super spectator friendly!

RELAYS

If you are racing as a relay, the swimmer will start with the timing chip on their ankle. After the swim, you will meet your biker in transition and move the timing chip from your ankle to theirs. After the bike, you will meet the runner in transition and move the timing chip again.

Pro Tip - Let the rested athlete take the timing chip off and put it on :).

POST RACE

All athletes will receive a finisher's medal at the finish.

There will be food and drink available at the finish. Food will include pizza and plenty of snacks. Friends and family can purchase pizza for \$1/slice.

- **Helmets & Chinstraps** - Helmets be worn and securely fastened at all times while in possession of your bike. This means from the time you remove your bike from the rack at the start of the bike leg, until after you have placed your bike on the rack at the finish of the bike leg.

- **Drafting / Blocking** - Athletes must stay to the right side of the road and at least 5 bike lengths (10m) behind the bike in front of you unless passing. If passing, you have 20 seconds to enter the 5 bike length zone and make the pass on the left. If passed, you must drop out of the 5 bike length zone before re-passing.
- **Cell Phones & Headphones** - Athletes may carry a cell phone but may not use cell phones or use headphones on the course.
- **Kid's Race Equipment** - Aero helmets, disk wheels, & aero bars ARE NOT allowed in the youth races but ARE allowed in the adult races.

PENALTY BOX

Please announce your number to the volunteer at this tent. If shown a yellow card, you will be stopped on the course for 10s and do not need to stop at the penalty box.

SAFESPORT

As an event with both adult and minor participants, it is important to us that everyone feels safe and protected. The U.S. Center for SafeSport created the Minor Athlete Abuse Prevention Policies (MAAPP), a collection of proactive prevention and training policies for the U.S. Olympic and Paralympic Movement to help create a safer and healthier environment in which minor athletes can thrive. As a member of USA Triathlon and participant at a USA Triathlon sanctioned event, you are required to follow these policies.

The MAAPP focuses on in-program contact between an Adult Event Participant and a minor athlete and covers the following Required Prevention Policies: One-on-One Interaction, Meeting and Training Sessions, Athletic Training Modalities, Massages and Rubdowns, Locker Rooms and Changing Areas, Electronic Communications, Transportation, and Lodging. All Required Prevention Policies must be followed by:

- Adult Event Participants who have direct contact with minor athletes
- Adult Event Participants authorized to have direct contact with minor athletes
- Adult Event Participants authorized to have authority over minor athletes

As the MAAPP will be enforced at The East Coast Triathlon Festival being held on May 3-4, 2025, please review the [MAAPP at a Glance](#) in preparation for the upcoming event. Additionally, please review [USA Triathlon's SafeSport Policies](#) and [References](#).

As a reminder, ALL Adult Event Participants – including those with one-day memberships – are Mandatory Reporters. If you see or hear a report of any form of abuse, whether it is sexual, physical, mental or another type of abuse you are required to report that abuse within a 24-hour period. You can file a report to the U.S. Center for SafeSport through its online reporting form or by calling the U.S. Center for SafeSport at 833-587-7233 or USA Triathlon at trisafe@usatriathlon.org.

If you have any additional questions or concerns, please email trisafe@usatriathlon.org. Thank you!
